

The Blower's Daughter

Damien Rice

And so it is ^D
Just like you said it would be ^G
Life goes easy on me ^A
Most of the time ^G ^D
And so it is ^D
The shorter story ^G
No love, no glory ^A
No hero in her sky ^{Bm}

I can't take my eyes off of you ^G
I can't take my eyes off you ^{F#m}
I can't take my eyes off of you ^{Em}
I can't take my eyes off you ^D
I can't take my eyes off you ^G ^A
I can't take my eyes... ^G ^A

And so it is ^D
Just like you said it should be ^G
We'll both forget the breeze ^A
Most of the time ^G ^D
And so it is ^D
The colder water ^G
The blower's daughter ^A
The pupil in denial ^{Bm}

I can't take my eyes off of you ^G
I can't take my eyes off you ^{F#m}
I can't take my eyes off of you ^{Em}
I can't take my eyes off you ^D
I can't take my eyes off you ^G ^A
I can't take my eyes... ^G ^A

Ohh, did I say that I loathe you? ^D ^G
Did I say that I want to ^{Em}
Leave it all behind? ^A ^{Bm}

I can't take my mind off of you ^G
I can't take my mind off you ^{F#m}
I can't take my mind off of you ^{Em}
I can't take my mind off you ^D
I can't take my mind off you ^G ^A
I can't take my mind... ^G ^A
My mind...my mind...
'Til I find somebody new
