I Will Survive

Gloria Gaynor

Am (x1) Dm (x1) First I was afraid I was petrified,

G (**x1**)
Kept thinkin' I could never live

C (**x1**) without you by my side.

F (x1)

But then I spent so many nights

Dm (x1)

thinkin' How you did me wrong,

E (x1)

And I grew strong

E7 (x1)

and I learned how to get along.

And so you're back from outer space

G

I just walked in to find you here

with that sad look upon your face

I should have changed that stupid lock,

I should have made you leave your key

If I had known for just second

you'd be back to bother me.

Am Dm Go on now go, walk out the door,

Just turn around now,

cause you're not welcome anymore

Weren't you the one who tried

to hurt me with goodbyes?

Did you think I'd crumble?

Did you think I'd lay down and die?

Am Dm

Oh no not I, I will survive

G

For as long as I know how to love

C

I know I'll stay alive.

F

I've got all my life to live,

Dm

I've got all my love to give,

E

And I'll survive, I will survive

break

Am Dm G C F Dm E

Am
It took all the strength I had not to fall apart,

Kept trying hard to mend the pieces

Ċ

of my broken heart.

And I spent oh so many nights

just feeling sorry for myself

I used to cry,

but now I hold my head up high.

And you see me, somebody new,

G

I'm not that chained up little person

still in love with you.

And so you felt like dropping in,

and just expect me to be free

and just expect me to be free

And now I'm savin' all my lovin'

for someone who's lovin' me.

Go on now go, walk out the door,

Just turn around now,

cause you're not welcome anymore
